

The image shows an energy label for a window. At the top left is the European Union flag. To its right, the word "ENERG" is written in large letters, with "енергия · ενεργεια" below it. Further right are four circular icons containing the letters Y, IJA, IE, and IA. Below this, the brand name "MORA" and the model "EOMKU80SKSM" are displayed. A tap icon with the letter "M" indicates a micro-ventilation feature. A vertical scale of energy classes from A (green) to G (red) is shown, with a black arrow pointing to class "C". Below the scale, a speaker icon with "15 dB" and a box containing "1336 kWh/annum" are present. At the bottom, the year "2015" and the standard "812/2013" are listed, with the number "560372" written vertically on the right side.
